Coyote Dropings

BY COYOTE CALHOUN SASS #201

Congratulations to Long Step our men's overall winner and to Annabelle Peacock our ladies overall winner this month. Also, a big congratulations to Irish Jack Clary for a clean match and taking home the coveted White Buffalo.

Exciting things are happening at the ranch. First, the Founders Ranch Invitational is April 27 - 30. We have over 150 registered shooters and conventioners. I hope to see all of the Buffalo Range Riders out some time during the weekend. All are invited. We will be setting up for the Match starting Sunday April 23rd and Monday April 24th, any help would be appreciated.

Next we have begun construction on the western town. The footings have been poured and framing will start on Thursday, April 20th, and continue through the weekend. We will take a break for the Founders Ranch Invitational Match and then resume construction the next week and continue until finished.

We hope to have the buildings finished well before

END of TRAIL, so vendors can finish the interiors as needed.

Our next few monthly work parties will be in the construction of these buildings and the completion of some props for END of TRAIL. Bring your hammers, saws and gloves. We will be posting a work schedule, and if you can spare some extra time, it would be gratefully appreciated.

The Buffalo Range Rider Web Page has a new Blog added to it to keep our members more informed of goings-on at the ranch. Take a look at: www.buffalorangeriders.com

See you back at the Ranch.
